

# ROSELYON SCHOOL

AT LANLIVERY

**Are you looking to supplement the home-education of your children with direct high-quality teaching?  
We can help with that!**

Here at Roselyon School, we are highly experienced in providing home-educated children in Cornwall with options to extend their learning. With provision for Reception age to Year 6, we offer a range of subjects, from French, Latin, Religious Studies and PHSE, through to Art, Maths, English and more.

Ours is a small and friendly school based in Lanlivery PL30 5BT, with dedicated teaching staff and classroom assistants available to provide maximum time to each child. We believe strongly in praise and encouragement and ensure the children (and parents) are aware of the progress they are making.

You will see overleaf that our fees are highly competitive when compared to traditional home tutoring costs, and you can choose to purchase as many or as few subjects as you choose. The only requirement is that subjects are purchased as a 'half-term block' (there are a set number of lessons a week and timetables will be discussed with you) and paid for in advance for half a term.

Should you decide to proceed, you will need to provide us with a copy of the letter you have received from the Elective Home Educator's office in Cornwall. The parent has responsibility for the provision of 'efficient full-time education' (Education Act 1996), and the Roselyon subjects will form part of that provision.
